

As your personal farmers we would like to make your farm membership as customized as possible. We want to grow your favorite vegetables and we want to only put in your basket the ones you want to eat. So, we need your help! Please fill out this little form and let us know the vegetables you are interested in receiving and the vegetables you would like to see us grow. (Please keep in mind that this list is not comprehensive, but does reflect quite a few of the crops we will be raising)
